I have worked in many places around the world, some of them related to filmmaking, others just not.

I have done camera for different TV shows in Argentina, snowboard and mountain camera operator, assistant director in feature films, shortfilms and TV series, grip, DOP for commercials and shortfilms, directed and produced different documentaries and winning award shortfilms, among other production jobs.

Here you'll see a list of many of the works I have done as an independent filmmaker and freelance camera operator.

Or you can see my [Online Portofolio](#)
